25. What, if anything, did you appreciate most about the course?

Response
I appericiated the professor's dedication
From this course the thing I appreciated the most was my professor and all she did to make sure that we all succeeded. My professor was so kind and understanding thus allowing this course to run smoothly and providing a good environment where we as students could be able to learn. I definitely thank her for everything due to her making this class fun during unprecedented times.
The fact that things were included that could help us when we enter the working world.
I appreciate how easy we was able to stay in contact with her and how informative she was.
That made me realize that writing can be fun
I appreciated how flexible the professor was and always took personal circumstances into consideration.
I appreciate that our professor gave meaningful advice that could be applied to real-world situations and that she really cared (took us through everything step by step). You can tell she was doing the best she can.
I appreciated the student's choice assignment because it allowed me to get creative.
I appreciated almost everything. I appreciated that the professor was super helpful and will give us more time if we needed. We need more Professors that understand you .
I love the way how this professor taught, and it was very clearly presented to me.
The Professor put in her best work and I truly appreciate it during these times.

26. Please, provide any suggestions you may have to improve the course

Response
Inlcude more free writes.
I don't have any suggestions to improve the course because the course is fine the way it is. I believe that students will be able to learn a lot from this course and they will be able to grow as writers and readers.
More clarification on the grant proposal assignment.
not many
I think letting everyone to turn their cameras on would have made people more interactive.
She's perfect!
Everything is pretty good.
